

BSI Medical Body Scan is Returning to the UFLAC Headquarters November 2 - 6, 2026

Due to popular demand, your UFLAC Benefits Trustees have arranged for a return visit by Body Scan International to the UFLAC Headquarters.

The BSI Body Scan with interactive video tour of your body is a comprehensive and confidential examination. A BSI Physician will guide you through the process and provide you with detailed examination results.

This examination is available to you at NO OUT OF POCKET COST if you are an eligible subscriber (or spouse/domestic partner) of a UFLAC-Sponsored Anthem Blue Cross Health Plan.
(Please note that enrollees of the UFLAC Medicare Advantage Plan are not covered)
